EXPLORE

JOBS ZOKU AMSTERDAM

Welcome to **Zoku**. A place you can call a second **home**, even on your first visit
So much more than an apartment hotel. It is a **neighbourhood**
Where the **neighbours** borrow more than a cup of sugar
They share **ideas** and **ambitions**
They mix the **local lowdown** with the **global highlights**
Where the word on the street keeps you streets **ahead**
For this is a '**Good Company**' **company** where everyone can bring their **dreams** to the table
Where those busy **connecting** the world can **catch up with each other** and the scene surrounding them
Smart and uncompromising, Zoku is a **hive** of **Zoku Lofts** and **friendly spaces**
Designed so you can stay **connected**, well rested and throw yourself into your **work**, your **play** and our **city**
This is a place that is furnished to **fit**, not to split
Encouraging each other to **live**, not exist. To **dream**, not sleep
To **smarten up**, rather than dumb down
To go at it **together**, rather than alone
Together we can **work hard**, play strong and rest easy
Whilst we blur borders, combine cultures and **live our dreams**
